

Call for Papers to the Work in Progress (WiP) Session

related to

[DSD'2023 - the 26th EUROMICRO Conference on Digital Systems Design](#)

and

[SEAA'2023 – the 49th Euromicro Conference on Software Engineering and Advanced Applications](#)

Durres, Albania, Sept. 6th – Sept. 8th, 2023

Conference web-site and Venue: <https://dsd-seaa2023.com/venue/>

Albania is a beautiful Mediterranean country similar to Greece. The best month to visit Albania is September. **Durres** is the second largest town and the biggest sea-side resort of Albania with numerous cultural and tourist attractions, located on the Adriatic Sea coast close to Tirana International Airport.

A Special Session related to DSD'2023 and SEAA'2023 is organized to present WORK in PROGRESS (WiP) in areas related the DSD and SEAA Conferences that is mainly aimed at the research and/or development projects (including Ph.D. and advanced M.Sc. projects) that have not yet attained their final or complete results.

Session Co-Chairs:

- Radovan Stojanovic, University of Montenegro, stox@ucg.ac.me
- Budimir Lutovac, University of Montenegro, budo@ucg.ac.me
- Erwin Grosspietsch, Euromicro, karl-erwin.grosspietsch@online.de
- Helga Sellaku

Topics of Interest include (but are not limited to) the topics covered by the DSD'2023 and SEAA'2023 Conferences that are listed in the Calls for Papers of the DSD'2023 and SEAA'2023 Conferences and their Special Sessions and can be found at:

<https://dsd-seaa2023.com/dsd/> and <https://dsd-seaa2023.com/seaa/>

Submission of Papers: authors intending to participate in the session should **submit a short paper (maximum 4 pages) in DOCX ([submission template](#)) via [submission form](#) no later than by 15 July, 2023.**

Accepted submissions will be published in a separate "Work in Progress" Proceedings and *WiPiEC Journal*, <http://wipiec.digitalheritage.me/index.php/wipiecjournal> and are to be presented in the session by short presentations of 10 minutes.
